

Mike Yannucci

Founder of Hillcrest Financial Group

Mike founded Hillcrest Financial Group in 2018 after almost 14 years in the industry. He began his career as a student intern in early 2005. Since then, he has earned his CERTIFIED FINANCIAL PLANNER™ certification and also attained his FINRA Series 7 and Series 63 securities registrations (through Commonwealth Financial Network®) and his Ohio life and health insurance license. He is also an Investment Adviser Representative of Commonwealth. Maintaining these licenses and registrations requires participation in continuing education programs which help keep Mike up to date on current industry trends as well as keeping him informed of any potential changes on the horizon.

Mike was born and raised in Piqua, Ohio. He moved to Cincinnati to attend Xavier University, where he graduated with a finance degree. Mike lives in Mason with his wife and three daughters. When there is a break from the kids' activities, he enjoys playing golf or supporting local sports teams.
